

# Russian State Agrarian University – K.A. Timiryazev MAA

**150 years of traditions!**

# Timiryazev University

- *Founded in 1865 a.*
- *Total area of Moscow campus – 500 hectares*
- *Russian Peoples' Cultural Heritage Site*
- *A branch in Kaluga*

# Russian State Agrarian University – K.A. Timiryazev MAA

- Around **16 000** students
- Faculty (professors & lecturers) - **1222**
- **76 %** of faculty members hold Ph.D. degrees and other academic distinctions
- **5** academicians and **8** corresponding members of Russian Academy of Sciences
- **13** dissertation councils
- **4** scientific journals accredited by the Highest Attestation Committee of the Russian Federation

# 18 faculties

- **Agronomy and biotechnology**
- **Animal science and biology**
- **Education and humanities**
- **Economics**
- **Economics and finance**
- ***Environmental engineering and water management***
- **Energy**
- ***Faculty of Food Technology***
- **Horticulture and landscape architecture**
- **Hydraulic engineering, agro-industrial and civil construction**
- **Technical service of farm machinery**
- **Technosphere safety, ecology and natural resource management**
- ***Soil science, agricultural chemistry and ecology***
- **Processes and machinery in agribusiness**
  
- **Part-time training faculty**
- **Faculty of Distance learning**
- **Faculty of Advanced training**
- **Pre-enrollment training faculty**

## Basic educational programs (BEP)

- **Bachelor (B. Sc.)** in basic and applied sciences– 39 fields of study
  - 97 B.Sc. study programs
- **Specialist (5-year degree)** – 4 fields of study
- **Master (M.Sc.)** - 29 fields of study
  - 95 study programs, 3 of them are implemented in collaboration with foreign

# Active cooperation with 67 universities worldwide

# Key partners universities

- **Wageningen (Netherlands)**
- **Hohenheim University (Germany)**
- **Humboldt University in Berlin (Germany)**
- **Punjab Agrarian University in Ludhiana (India)**
- **Shandong Hydrotechnical Institute (China)**
- **Xinjiang University (China)**
- **Tanta University (Egypt)**
- **Slovak Agricultural University in Nitra (Slovak)**
- **Warsaw University of Life Sciences (Poland)**
- **Sant'Anna School of Advanced Studies in Pisa (Italy)**
- **University of Udine (Italy)**
- **Szent Istvan University in Gödöllő (Hungary)**
- **Norwegian University of Science and Technology (Norway)**
- **Anger Higher Education and Research in Life Sciences (France )**
- **Texas A&M University (USA)**
- **Czech University of Life Sciences in Prague (Czech Republic)**

# Membership in international organizations

- **BASE ORGANIZATION IN CIS FOR TRAINING AND RETRAINING OF AGRIBUSINESS EXPERTS**
- **VYSEGRAD UNIVERSITY ASSOCIATION (VUA)**
- **COUNCIL OF RECTORS OF LEADING AGRARIAN UNIVERSITIES OF CIS**
- **INTERNATIONAL ASSOCIATION OF UNIVERSITY GRADUATES**
- **BASE ORGANIZATION OF FAO**
- **ASSOCIATION FOR EUROPEAN LIFE SCIENCE UNIVERSITIES (ICA)**

## Current International Projects

- Tempus Project «Development of Public Accreditation of Agricultural programs in Russia» PACAGRO (2013-2017)
- Erasmus+ KA 1 Learning Mobility of Individuals with 8 European Universities (Hohenheim, WULS-SGGW, St Anna, SZIU, BFU, SAU, ASU, Timishuar) 2015 - 2017
- Erasmus+ KA 2 «Sustainable Agriculture and Rural Development» SARUD (2015-2018)

**More than 30 International Projects  
since 1994 completed**

## Past projects

- FP6 DESIRE 037046 - land management
- SWARP-ICTProject 21051 – land management
- Tempus DEEP - ecology
- CD\_JEP-27166-2006 (EFFE~~C~~T) – food
- Tempus STREAM – ecology, LL
